

Safety Drive Affects Lives of Drivers

Police To Pick Up Auto Lights After Dark

Arlington Heights police department is intensifying its campaign to enforce the law against driving without lights after dark.

Monday night Officer Skoog, traveling the northwest highway, narrowly missed hitting two local boys on bikes who were entering the highway from the team track near the silos.

Instructions have been issued to all police officers to pick up all bicycles being ridden after dark without lights. The machines will be taken to the village hall, where the parents must apply to secure their release.

The practice of riding double is also very dangerous. Parents approving such practice should provide children with permits.

This action of the police department may save the lives of more than one Arlington Heights person. A report of all bikes taken will appear in the next issue of the Herald.

Motor Club Erects Safety Sign In Arlington

A series of new street warnings have been erected in five towns northwest of Chicago by the safety and traffic department of the Chicago Motor club, it was reported this week.

Among them is Arlington Heights with one slow-dangerous-corner sign.

H. Knaack Motor Sales Becomes Arlington's Largest Garage

Harry Knaack, who recently purchased the former Roehrer Garage, found that increasing business required more space. He found it at 16 North Vail street, the former Engleklip garage. Three weeks have been spent in preparing the new place for operation. The equipment is being installed this week.

Every one of the crew of six men, from the boss, himself, down to the wash boy, are enthusiastic over the new quarters and the amount of interest to car owners will be the body and fender repair and painting department which has already transformed a number of wrecks into "new cars."

The size of the garage permits storage facilities for which all-winter rates are purposeful, states Mr. Knaack. "To give the highest quality in auto service to any make of car, I believe that a garage in Arlington Heights catering to all-around service, has a future in this community."

Leaves for Honolulu To Visit Her Son At U. S. Radio Station

Mrs. F. E. Briggs, Arlington Heights, left this week for Honolulu to visit her son, who is stationed at a government radio station. Her first stop will be at Fresno, Calif., where she will visit relatives and visit Yosemite Park and the Red Wood forest. She will sail Oct. 7 on the Matsonia and will arrive at the islands six days later.

Mrs. Briggs will write a series of articles for the Herald.

ROBBERY REPORTED AT ARLINGTON COUNTRY CLUB
Arlington Country Club reported a robbery to county highway police Saturday when a meat cutter, valued at \$150, and 50 towels were found to be missing. Thieves had gained entrance through a window. Several caddies are under suspicion. A golf bag and clubs belonging to R. H. Sommers, Chicago, were also stolen, Sunday.

A CORRECTION
Arthur Cameron of North Highland avenue states that his difficulty in the court of Judge Neuman (not Judge Behrens) was over threats made by him against Wm. Schroeder, his neighbor on the south due to a quarrel over the children. The boundary fence referred to in the article had nothing to do with the case.

Court Ruling Hurts Small Tax Payers

The recent ruling of the Illinois Supreme Court holding illegal the recent law passed at Springfield which would cause all tax levies to be approved by the courts before the tax collection is made, is considered a severe blow to the small tax payers.

The law was designed to put all tax payers, large and small on an equal footing, so that any reduction in a levy would apply to all tax payers.

Now by the ruling of the Supreme Court, conditions go back to the old system whereby any court battle on a tax levy affects only those engaged in the suit. In other words if a rate reduction is made the reduction applies only to those who are a party to the suit which are usually the big corporations, and does not apply to all the taxpayers.

This ruling is another blow to the small taxpayer who has never been able to understand why he should not profit from any rate reduction the same as the big fellow.

The new law was designed for the very purpose of protecting all taxpayers but the Supreme court has held that the law will not stand so we are right back where we started with the big taxpayer who is able to hire lawyers getting the breaks and the small suffering little fellow continuing to be the goat.

Schaumburg Church Is 75 Years Old

St. Peter's Congregation in Schaumburg will celebrate the 75th anniversary of the dedication of their church Sunday, Oct. 2.

The church was built during the time when the Civil War was raging in our country. The bricks that were used for the erection of the church were hauled from the place not far from Elgin, a distance of 12 miles. All the hauling of materials, as well as much of the work, was done voluntarily by the members of the congregation.

The cost of the building amounted to \$10,000. This entire amount was almost paid in full before the church was dedicated.

Although the church has served the congregation for 75 years, it nevertheless is in first class condition and will be able to serve the congregation for many years to come. Preparations have been made to celebrate the diamond jubilee of the church in a befitting manner. The following services will be conducted:

10:30 a. m., German service; sermon by Rev. A. Wilkening, Unionville, Mich.
2 p. m., Bilingual services — German sermon by Rev. F. Pfotenhauer, D.D., Chicago, Ill. English sermon by Rev. Alex. Ullrich, LaGrange, Ill.

Dinner may be obtained on the church grounds.

St. Peter's To Observe Sunday School Rally

St. Peter Evangelical Lutheran congregation will observe its tenth annual Sunday school rally day with special English church services at 11:00 a. m. Sunday. This service will include an appropriate program by the Sunday school and an inspiring sermon by Pastor Frickie. All friends of Christian Education are cordially invited to attend.

Rally day is also the beginning of a new Sunday school year at St. Peter's and here again all parents are invited to take advantage of its Sunday school facilities which are of the highest standard in each and every department. St. Peter's will consider it a privilege to instruct your child in the Word of God, thus leading it to its Savior and making it "wise unto Salvation."

Formal Opening of The Emerald Shop Saturday

The formal opening of the Emerald Shop this Saturday will probably win the unanimous approval of the womenfolk in the entire community since it represents to the last word in all that a modern store should be. This store has been completely remodeled and redecorated during the last few weeks.

Notice To Subscribers

The present method of delivery and subscription of the Herald is into effect a new system. The majority of those who have subscribed the Herald for the past year have paid their subscription, either voluntarily or in response to invoices mailed to them.

There are several hundred who have overlooked the matter. For the convenience of the latter a representative of the Herald is making personal calls upon those whose subscriptions are not paid for the last year or who owe for the coming year.

The amount is small and the cooperation of the readers is requested.

Palestine Shepherd To Lecture Here

S. A. Haboush will speak on his Shepherd Life in Ancient Palestine, giving an interpretation of the 3rd Psalm in native Galilean costume, at St. Peter's Ev. Lutheran church, Sunday evening, Oct. 9 at 7:30 p. m.

It is a far cry from the ancient hills of Galilee, and the pastoral life of the people there, to the dynamic days of the modern present in civilized North America, but those two extremes are covered in the span of life of Stephen A. Haboush, a shepherd from Galilee, who has brought to North America the story of Galilee and Palestine, told as only one who was born there can tell it.

The Musical Travelogue, "Christian Palestine," with the wonders of Jerusalem and Bethlehem will be presented in the Arlington Heights high school auditorium, Friday, Oct. 14, at 8 p. m. under the auspices of the Men's League of St. Peter's church. Secure your tickets early.

Mr. Haboush is a native Galilean. He was born in the hills of the Sea of Galilee, and in his youth tended his father's flock. He was just as every Galilean boy has done since the days when the Master walked among men. He came to North America and worked his way through a North American university. Recently he returned to the land of his birth, and there personally took a marvelous motion picture of the scenes and people of Galilee. He returned to North America with his message. He has written for magazines and newspapers and spoken before great audiences in many of the famous churches and schools in Canada and the United States.

There is an inspiration in the life and teaching of Stephen A. Haboush for everyone. His messages and Travelogues bring to the material present the story of life in Galilee and Palestine as it was and as it is, the story of the Scriptures interpreted by one to whom the scenes of the story of the four Gospels are his native land.

He is the author of "My Shepherd Life in Galilee" and in the book review of the Boston Transcript appeared this statement, "He enters into the feeling of the most famous bit of the world's devotional literature with insight and charm."

Mr. Haboush's Travelogues on Galilee and Palestine are a distinct contribution to North American life and to modern thought. They breathe the very life and mysticism of the ancient East. Part of it is delivered in native costume, the same costume worn by native Galileans in the days of the Bible story. Part of his dramatic story is delivered to the accompaniment of thrilling scenes and special motion pictures. It is a program that will be a delight and an inspiration to all who will be fortunate enough to hear him.

Checks For Flood Relief Can Be Sent Through Local Organization

James T. Nicholson, manager of the Chicago chapter, American Red Cross, sent three experienced case workers to the hurricane devastated area of Long Island and New England Monday night. All three held responsible positions in the disaster rehabilitation program following the Ohio River Valley floods of last year. The contingent represents Chicago's answer to the appeal for additional trained workers.

"Estimates of damages in the area afflicted by the storm and floods are double the preliminary total," Mr. Nicholson stated today. "At least 12,650 families will require Red Cross assistance in rebuilding their homes and restoring their businesses."

"Before the extent of the havoc was fully surveyed, the Red Cross appealed to the nation for \$500,000. Latest estimates indicate that \$1,000,000 will be needed to meet the minimum requirements of the disaster victims. Checks should be made payable to the 'Red Cross disaster relief fund' and contributions sent to Mrs. Rex Volz, 836 N. Belmont avenue, Arlington Heights.

NOTICE TO HOLDERS OF WHEELING TOWNSHIP TAX ANTICIPATION WARRANTS

An audit of the township books is now in progress. All persons holding Township Tax Anticipation Warrants issued prior to 1937, are urged to show their warrants to Mr. Laurin, the Auditor, to make sure that the Register of unpaid warrants is complete.

Mt. Prospect Police Nab Check Forger

Moehling's Suspicions Returns Former Convict To Chicago

The alertness of Ted Moehling, Mt. Prospect police officer early Saturday morning, again placed Carl Tosch, 1523 Orchard street, Chicago, in the hands of Chicago police authorities. He faces charges of forgery, passing bogus checks drawn upon the Johnson City State Bank and is "wanted" on a \$35,000 Chicago robbery last January of cameras from the Pathe News, 1923 S. Wabash avenue, Chicago.

He was accompanied by Simone Bacon, of Connecticut, his sweetheart, whom he had promised to marry. He used the name of Mr. and Mrs. Roland Bacon, the latter being a brother of the woman and in whose name the state license card was issued.

Officer Moehling, stopping at the Texaco Gas Station, Central and Northwest Highway, Mt. Prospect, was asked by the attendant to look at a check that the latter had taken in payment for gas and oil from a man who was driving a Plymouth with a Connecticut license plate.

Moehling brought the man back to the station where he was asked to sign his name several times. No two signatures were alike and Moehling locked him up for the night.

A telegram sent the next morning to Johnson City, Ill., revealed that the check was bogus. Faced with the telegram, Tosch admitted guilt, and offered to make good the check. The officer decided to take him to the Chicago bureau of identification where it was found that he had a record for larceny and other charges dating back to 1927 and that he had served seven years at Joliet.

The woman companion is an innocent girl deceived by a smooth tongue and a promise of matrimony. She was turned over to the mother of her companion, who had been hiding out since early this year at her home town. The blank checks were found by Tosch in a tourist cabin in Johnson City.

Citizens Must Register By October 11 To Vote In Fall Elections

Before we know it, the Fall election time will be here and it is reported that many residents and otherwise eligible voters are not properly registered. The first duty of every citizen of the United States is to vote—but to do this he must be properly registered.

Anyone whose address has been changed since he or she last registered should fill out a change of address card, even though the change may be in the same precinct. A person moving from a district under the jurisdiction of the Board of Election Commissioners to a locality under the jurisdiction of the County Clerk must register to be eligible to vote.

Girls who have married since their last registration and have taken another name, must fill out a cancellation card and then register under their married name.

Young men and ladies reaching the majority prior to November 8, must register if they desire to vote in the fall elections.

The last day for registration is October 11, when residents of Wheeling, Mt. Prospect, and Arlington Heights can register at their respective village halls, according to an announcement of Michael J. Flynn, County Clerk. Residents of unincorporated areas in Wheeling township, may register at any one of these three places, which will be open from 6 a. m. to 9 p. m. Registration may be made with the village clerks or the county clerk up to next Monday night, after which the only day is October 11.

With the political situation as turbulent as it is, every sincere citizen and voter should see to it that he or she is properly registered, so they may vote on next November 8.

Christian Endeavor Founders Night Is This Sunday

Young Peoples Christian Endeavor Society of the First Presbyterian church will observe Christian Endeavor "Founder's Night" Sunday in the church auditorium at 6:30 p. m. under the leadership of Mr. Carl M. Teutsch.

The newly elected officers for the ensuing year will be installed at this special meeting by Dr. Bertman Jackson of the Norwood Park Presbyterian church.

There will be a community singing led by Mr. H. C. Rutt of Evans-ton, assisted by Mrs. Rutt. Members of all churches and non-members alike are all earnestly urged to attend this special service which we are sure will be of interest to and enjoyed by all.

Voters O. K. Arlington \$172,000 H. S. Program

Mt. Prospect Voters Carry Election For Entire District

The proposed \$172,000 addition and improvement of the Arlington Heights high school is assured. Nearly two thousand voters went to the polls in two precincts Saturday and carried the three propositions by majorities of sixty-one, ninety-six and eighteen, respectively. All three propositions were lost in Arlington Heights. Mt. Prospect saved the improvement with the aid of Prospect Heights, which is reported to have voted en masse in favor of the improvement. The vote was as follows:

SCHOOL ADDITION		
Arlington Heights	For	No
Mt. Prospect	657	714
	336	218
Total	993	932
Majority "For"	61	

BOND ISSUE		
Arlington Heights	For	No
Mt. Prospect	628	724
	332	216
Total	960	940
Majority "For"	20	

ADDITIONAL TAX		
Arlington Heights	For	No
Mt. Prospect	630	726
	332	218
Total	962	944
Majority "For"	18	

Eighteen absentee votes were cast. The first election, held two weeks earlier was lost by 27 votes with a total of 1081 votes. The votes were nearly doubled at the second election.

Godfrey Larson, Inc., the architects, have a large force of men preparing the specifications for advertising of bids as early as possible as work must be started prior to the end of next month.

The entire high school board with Wm. F. Meyer, as chairman, will act as the building committee, meeting every Tuesday evening.

School Addition Loses At Franklin Park

A similar proposition providing for an addition to the Leyden community high school at Leyden was lost by 28 votes Saturday. Only 400 votes were cast in the Franklin Park precinct. It is reported that a second attempt will be made to carry the proposition which is for a \$50,000 bond issue and permitting the board to use \$58,000 now on hand for building purposes.

High School Approved In Grayslake Area

Prospects for a new high school in Grayslake developed last week when a group of citizens met in open meeting at the Grayslake grade school and expressed themselves unanimously as favoring construction of high school building.

No figures as to the cost of a new building were arrived at but discussion revealed that taxpayers in the district might expect a tax boost of 12 1/2 per cent. The committee have been assured of a PVA grant and an election will be held October 1.

Some 160 students from the Grayslake area are attending schools at Libertyville, Fox Lake, Grayslake, and Amic.

Red Cross To Give Course In Hygiene, Care of the Sick

Are you helpless when illness invades your home? Do you know how to make an ill member of your family comfortable, or how to give a bed bath and change the bed linen? Do you feel incompetent in the handling, bathing, dressing, and feeding of babies and small children? Thus safeguarding their health? Can the members of your family feel confident that you can confidently apply curative treatment in cases of common ailments and emergencies?

If these questions make you feel ill at ease, you need not feel that way very long. The Chicago chapter of the American Red Cross provides for suburban communities a twelve week course in Home Hygiene and Care of the Sick.

In order that such a course can be given in Arlington Heights, it will be necessary to have at least twenty-five persons sign up for such a class. The payment of a small fee of \$3.00 is requested of each class member, although anyone who cannot afford this fee, is nevertheless welcome to enroll. This fee really does not pay for the cost of the course, but does help to defray such expenses as transportation of hospital equipment, provision of practice supplies, instructor's fee and her traveling expenses. The meeting place for such a class will be one which is convenient to all the class members.

If you are interested in joining this class in Arlington Heights, or desire further particulars, kindly communicate by telephone with the following persons: Mrs. G. Rex Volz, 456; Miss Bessie Allen 91-W; Miss Virginia Weber, 591-R, or Rev. R. J. Kalwitz, 215-J.

Homecoming Planned At Arlington Oct. 15

October 15 has been named as the date for the annual homecoming festivities at Arlington Heights high school. Important events will include a parade, a football game, and a dance.

The game to be played that Saturday afternoon, is with Barrington, an old rival of Arlington Heights. All alumni and friends of the high school should be interested in attending this game.

The final event will be the homecoming dance to be held in the gym the evening following the game. Plan now to attend the dance. Use this opportunity to meet old friends and make new ones.

Arrangements for the homecoming week-end are being made by the Student Council. Additional details will be announced next week.

Cardinals To Face Old Rival Sat.

Libertyville 'Beef' Rated High In Gridiron Contest

Libertyville will be here this Saturday afternoon, October 1, with their football team to try the mettle of the Arlington Cardinals.

Libertyville has not been many years since those few words conjured up the biggest turnout of the year, since in those days the Libertyville-Arlington football rivalry furnished just about the high lights of the season.

Since that time, however, with the growth of the Northwest Conference other schools such as Leyden and Lake Forest, have entered into the limelight and have stolen part of the show from these two old rivals. Also, a couple of the older schools like Barrington and Warren, have grown, and improved their teams, until any of these can furnish plenty tough opposition most any year.

This does not mean that Libertyville is less strong, but that the competition is keener, and the laurels are being passed around a little more than formerly. This year, in fact, the Wildcats have one of their good teams again as is indicated by their 29-0 win over Woodstock last Saturday.

Year in and year out, Woodstock has been having some of the best athletic teams in the north end of the state, and such a convincing victory over them surely leaves little doubt in the minds of any of their opponents as to the strength of this year's Wildcats.

Libertyville has a fine set of backs. Led by their ace, Enevold, conference track spirit champion, and seconded by Joe August, hard plugging fullback, they have one of the fleetest backfields in the league. A couple of them are so fast that it is doubtful if any of the Arlington team can catch them once they are in the clear.

From their pair of rugged 160 pound guards up to their 220 pound center, they have a line that will be hard, indeed, to penetrate. With this line opening up huge holes for them against Woodstock, their backs poured through for consistent gains and made the contest about as one sided as the Grant-Arlington game.

While Arlington improved over their last appearance, they still have quite a way to go to round into a finished eleven. Several more or less minor ankle and leg injuries to regulars and their subs have kept them from the hard work that is necessary to brush them up on their weaknesses. None of the four guards were driving in last Saturday. Bussie, improved, and looked good in spots, but was pushed around occasionally. In fact few of the linemen were playing heads up ball Saturday.

In the back field Mayerck and O'Hagan came the nearest to satisfactory games. Hull did some great running, but at times left his interference and was smeared. His blocking and tackling is far from perfection. Harth, Koelling and Koenig looked good at times, but were erratic. Koenig still has a tendency to run without first catching the ball. Bublitiz put on just about his best game in the fourth quarter. Haake has the makings of a good back, but so far has been too lazy to put any real drive into his game. When he wakes up and determines to hustle he'll catch on regular.

Continued hard work and increasing high morale, will do a lot toward rounding this 1938 Cardinal squad into a great team. Without it they will still be mediocre. A great game may be in store for this Saturday when these two teams renew their feud. There is no question that both coaches, Bergstrom of Libertyville and Grose of Arlington, will have their teams keyed for this game in the knowledge that they must win to carry on.

WHEELING DEMOCRATS TO MEET MONDAY

Wheeling Township Democrats will hold their next meeting at Meyers Park, Arlington Heights, next Monday evening at 8 o'clock.

Late Rush Boosts Tax Payments

The usual last days rush of taxpayers to get in ahead of the deadline, boosted the collections of the country town tax collectors to figures better than looked possible early in the week.

A large number of taxpayers visited their home collectors on Friday and Saturday and the final payments brought up the totals to correspond with those of former years.

Palatine, Barrington and Elk Grove collectors report second installment collections slightly better than the second installment of a year ago, while Wheeling township reports a slightly less collection.

The down town rush has started this week and the county treasurer's office in the county building has been jammed with taxpayers from early until late each day.

So the folks that made their payments to their home collectors, transacted their business in quiet and comfort while those who are forced to visit the county building this week, will find themselves in a real crowd.

The town collectors in this territory have expressed their appreciation of the fine publicity given the tax collection by these publications and they extend to their many taxpayer friends their sincere thanks for the hearty cooperation which made the collection, a success in spite of the many disquieting rumors as to "bad times," "no money," etc.

The delinquent tax list will be published in this paper some time in November.

Appeals To Women To Support Banking Amendment to State Laws

An appeal to women to support the banking amendment to the State Constitution in November has been issued by Mrs. Albert E. Bergland of Galva, a member of the Constitutional Amendment Committee which is directing the campaign for the change.

"The women of Illinois should be interested in the elimination of the double liability on stockholders in state banks for the following reasons," said Mrs. Bergland:

"First, such liability extends to the estate of a deceased stockholder and often works a financial hardship on the widow and heirs who can ill afford to stand the loss.

"Second, it discourages the investment in stock of needed state banks by citizens who might otherwise buy the stock in order to make a state bank possible in the community.

"Third, unless this stockholders' liability is removed by Constitutional Amendment our state banks will be driven out of existence. Surely the citizens of Illinois do not want all of their banks regulated from Washington.

"Fourth, as a matter of experience, the present liability of stockholders in closed state banks has benefited the depositors very little; and now that deposits up to \$5,000 are insured, no reason remains for the retention of this constitutional provision."

Former Governor Louis L. Emmerson has also written the Committee that "I am very much for the Constitutional Amendment and will do all that I can to further its passage."

Plan Elevated Highway For Northwest Side

Representatives of Des Plaines and Park Ridge organizations approved a resolution last week urging the county, state, and city of Chicago to advance plans for an elevated highway from the Northwest to the city's loop area.

Approximately 9 1/2 miles of highway at a cost of a million dollars, following the general path of Avondale avenue out to probably Foster Avenue, was proposed by James Bolger, public relations council of the Chicago Motor Club. Mr. Bolger explained that the motor club's reason for backing the movement was based on the safety of motorists.

The cost would be shared by the state, county, Chicago, and probably federal aid agencies.

Miss Mildred Becker, Bride of Des Plaines Youth At St. John's

Miss Mildred Becker, daughter of Mr. and Mrs. Herman Becker, 840 N. State road, Arlington Heights, was united in holy matrimony to Edgar Lee Stromberg, son of Mr. and Mrs. John Stromberg of Des Plaines, on Saturday evening in the St. John's Evangelical church, Arlington Heights. Rev. R. J. Kalwitz officiated in the single ring ceremony. The altar was attractively decorated with garden flowers and together with the palms provided a beautiful scene.

Miss Becker was escorted to the altar by her father. She wore a gown of white satin with fashioned short sleeves and a v-neckline, and a full skirt. Her bridal finger tip veil was held by orange blossoms

and she carried white roses.

The bride's attendants were Miss Rose Marie Kibbe, maid of honor, and Miss Elvera Landmeier and Miss Kibbe of Des Plaines were attired in a turquoise net gown and carried talisman roses to match her wreath. Miss Angeloff wore a blue net gown and a wreath in her hair and carried pink roses, and Miss Landmeier was dressed in a pink net gown and carried tea roses to match her wreath.

Acting as best man was Gilbert Clavey of Des Plaines. The ushers were: Wilbert Becker, brother of the bride, and Richard Stromberg of Park Ridge, brother of the groom.

Mrs. Becker, mother of the bride, was dressed in a black silk crepe dress and wore a corsage of roses. Mrs. Stromberg, mother of the groom, was dressed in a brown lace dress and wore a corsage of talisman roses.

Two soprano solos "At Dawning" and "Because" were sung by Mrs. Ferdinand Blohm with Mrs. Ben Helfers at the organ.

Over 100 guests attended the reception which was held in the dining room of St. John's church at which time the bride and groom were recipients of many beautiful and useful gifts.

Mr. Stromberg is employed in Chicago while Mrs. Stromberg is vacationing a month from her employment at the Benjamin Electric company, Des Plaines. Mrs. Stromberg has been very active in the affairs of St. John's Evangelical church. Mr. and Mrs. Stromberg will reside in their apartment at 217 South Dunton avenue, Arlington Heights.

The Corephelia Society will hold its annual dinner Monday night, Oct. 3, at the Pantry in Park Ridge. Members will meet at the church at 5:45 p. m., and will leave promptly at 6 p. m. All reservations must be in by Saturday noon, Oct. 1. Phone 316-R.

Holiday Schedule For Grade School Announced

The following list of holidays for the children who attend the public grade schools of Arlington Heights, is being published in answer to parents' inquiries.

Thursday and Friday, Nov. 24 and 25 for Thanksgiving.

Christmas holiday will be one week and one day from Dec. 24 to Jan. 2, inclusive.

Washington's birthday, Wednesday, Feb. 22.

Easter holiday will be Good Friday and Easter Monday.

Memorial day, Tuesday, May 30. There will be a holiday in November for a teachers' meeting and again in the spring there will be a day for teachers' institute.

Gleaners Enjoy Old Fashioned Dinner

The winning side in a recent contest conducted by the Gleaners Circle of the Methodist church were guests at an old fashioned dinner given by the losing side, Wednesday evening at the church. The tables were covered with old fashioned table cloths of red and white checks. Kerosene lamps and old fashioned bouquets served as table decorations. A good old fashioned dinner was served to those on the winning side, but the losing side enjoyed it as well. After dinner old fashioned songs were sung and a social time enjoyed.

Mrs. Robert Palmer Wins Awards For Prize Dahlias

Mrs. Robert Palmer, a prominent member of the local garden club, is the proud possessor of twenty-two awards, which she won at the American Gardeners' Association 7th annual Dahlia show, which was held in the Winnetka Community Hall on Saturday and Sunday of last week. The competition in this show is most keen, as dahlias are shown from many of the North Shore estates.

Mrs. Palmer received six first awards, eight second awards and eight third awards. Mrs. Palmer grew all of her dahlias herself.

G. Barrett, tel. 783; Mrs. George Palmer, tel. 454; Mrs. Frank Rogers, tel. 506; Mrs. Marvin Prellberg, tel. 508-R; Mrs. Guy Baxter, tel. 677-J, and Mrs. N. K. Barr, tel. 129-M. The rummage will be called for.

LOCAL EVENTS

Mrs. F. W. Geffert spent the week-end at Harvey, Ill., with her son, Rev. Rudolph Geffert.

Mrs. Elmer Karstens entertained friends for dessert and bridge Tuesday afternoon.

Don't forget the Christian Endeavor "Founder's Night" and installation service to be held Sunday, Oct. 2, at 6:30 in the church. Special speaker and music directors will be with us and we need you to help us have a record attendance. May we count on you? Leader—Carl M. Teutsch.

The officers of the Gleaners Circle wish to thank all who attended the Chili Supper last Thursday night, and regret very much that a shortage of food caused some to be turned away.

Twenty years ago the Truman Curtis family moved from the house on Pine street, which was built for them, and in which the Griffith family now live, to California. Monday morning Mrs. Curtis and her sister, on their way to Chicago from California, called on Mrs. Maude Parker. They regretted that a ten o'clock appointment in Chicago, made it impossible for them to call on all of their friends.

Mrs. Wisersky celebrated her birthday Monday by taking her children to visit her mother in Oak Park, where they were joined later by Mr. Wisersky.

Mrs. Henry Schad, Mrs. A. B. Scharringhausen, and Mrs. Ben Helfers, were among those to attend the Northern Illinois District Woman's Union convention, which was held in Elmhurst Sept. 21 and 22. They represented the Ladies' Aid of the St. John's church.

Mr. and Mrs. Louis Wahl and son, Louis, Jr., and his wife, moved first of the week from 23 So. Dunton to their new home, 823 N. Dunton avenue.

Mr. Roscoe Reed has returned to his employment at Steinmetz high school, Chicago, as an instructor in music.

Mrs. Laura Redeker plans to go soon to California. Her son has been in the west for some time and is employed.

Mr. and Mrs. Joseph Melzer, N. State road, attended the wedding of Mrs. Melzer's nephew, Mr. Clyde Stewart, and Miss Myrtle La Marsh of Logan Square, Saturday afternoon.

Mr. and Mrs. Chris Serlin from Mayfair, called on their aunt, Mrs. Raoul Peeters and family, Saturday evening.

Mr. and Mrs. F. J. Sachs and Mr. and Mrs. Paul Fairman attended the Northern Illinois Horse Show at Kewawee Country Club Sunday. A fine showing of good horses.

Mrs. Raoul Peeters and sons were dinner guests of Mr. and Mrs. Robt. Altman, Mayfair, last week Thursday.

S. O. S. club met Monday with Miss Lois Bokelman, N. Pine avenue.

**Ginger Rogers Stars In
Another Dramatic Role
At The Arlington**
Long recognized as the dancing sweetheart of motion pictures after her outstanding series of film musicals with Fred Astaire, Ginger Rogers established her right to top dramatic rating with her performance in "Stage Door."

The blonde star is currently appearing in her second dramatic offering, "Having Wonderful Time," an RKO Radio comedy-drama adapted from the celebrated Broadway hit, Douglas Fairbanks, Jr., is co-starred. She has notable opportunities in this new offering to play comedy, satire and pathetic romance.

The story concerns a whirlwind love affair between a hard-working secretary and a young law student when the pair meet at a summer vacation camp.

Some of the pictures other than musicals in which Miss Rogers has scored during the past three years include "Vivacious Lady," "Romance in Manhattan," "Star of Midnight" and "In Person."

Alfred Santell directed "Having Wonderful Time," a Pandro S. Berman Production. Peggy Conklin, Richard "Red" Skelton, Lucille Ball, Lee Bowman, Donald Meek and Ann Miller are in the cast of fifty.

"Having Wonderful Time," appears at the Arlington Theatre Sunday and Monday.

**Ray Whitley Sings
In O'Brien Film**
Ray Whitley, well known singing cowboy, plays his second role in support of George O'Brien in RKO Radio's "Border G-Man."

Whitley, whose Six-Bar Cowboys are a famous feature on the air and at national rodeos, recently played O'Brien's partner in "Gun Law." Directed by David Howard, "Border G-Man" also features Laraine Johnson, John Miljan, Rita LaRoy, William Stelling and Edgar Dearing.

"Border G-Man" appears at the Arlington Theatre Sunday and Monday.

SCARSDALE ONCE-A-MONTH

In retrospect, there have been several items of interest which are noteworthy of mention before we embark upon the new session of the Scarsdale Property Owner's Association.

The seeming influence with Jupiter Pluvius which was mentioned early in the spring, was much greater than anticipated. It was so great that the Scarsdale Tool and Garden group will be satisfied with just normal watering, next year, instead of the deluge experienced during the past summer. However, the results in beautiful lawns and flowers have far surpassed all expectations.

Since January, 1938, there has been an increased population in Scarsdale to the extent of some twenty families. The past summer has, with its group activities of picnics, indoor baseball games, parties and open houses, done considerable to acquaint these newcomers with the "City of Good Neighbors" policy and attitude of Arlington Heights. It gives us great pleasure in extending this Arlington hospitality to the following families who have taken up permanent residence in Scarsdale during the past month:

Henry W. Biggs, 416 Park street. (Formerly of Elmwood Park).

Robert F. Bracke, 607 Newbury avenue. (Formerly of Chicago and Detroit).

E. B. Clearwater, D. D. S., 609 Bristol Lane. (From Chicago).

Wilson A. Gibson, 612 Burton Place. (From Chicago).

Thomas Hildebrand, 507 Mayfair Road. (From Chicago).

R. M. Ryan, 616 Fairview avenue. (From Chicago).

Clarence H. Squier, 435 So. Pine avenue. (From Rogers Park).

The first meeting of the 1938-1939 session of the Scarsdale Property Owner's Association is being held at the home of Mr. Hugh E. Nichols, 535 Bristol Lane on Thursday, September 30, 1938. The heads of the families of newcomers, mentioned above, are especially invited and are welcome to attend.

Scarsdale is represented in the Thursday Arlington Heights Bowling league by the following members, the team known as the "Owls": Marion W. Gribbsy, Adam P. Sledz, Robert R. Saer, Otto E. Schwartz, V. A. Sturton, captain. Alternates: James W. Doyle, George A. Glow, Al. H. Hill, Walter S. Lane.

Any of the other residents who are interested in bowling with the Scarsdale team are requested to see the captain as soon as possible. There has been some mention about the conflict of Thursday nights, on account of the Association meetings and bowling being on the same night; but, we "can't have everything."

Barrington Fall Festival Next Week

**Lions Stage Mammoth
Merchandise Exhibit;
Prizes Given Away**

Barrington's second annual fall festival, sponsored by the Barrington Lions club, will be held in the ball park under a tent of Ringling Brothers proportions from Tuesday to Saturday, October 4-8, inclusive.

Music, acrobatic performances and other types of popular entertainment will be offered each night in the center of the tent. Interesting educational exhibits such as handiwork, photography, art, etc., are being planned for the big show. A girls' popularity contest will be conducted. Many favors and valuable gifts will go to guests of the festival.

One of the most interesting phases of the show will be the 30 commercial exhibits revealing the latest in merchandise and merchandising ideas. These will be strictly exhibits and not sales promotions as no direct sales will be made at the festival.

The first annual festival which was held last October, brought 9,000 persons to the tent during the five days. The club netted more than \$900 from sales of exhibit space and other sources and used this money to improve the drive-ways and entrances to the Barrington North Side park and swimming pool.

Wills Filed For Probate

The will of the late Harry Heinz, who died July 30, in Niles Center, has been admitted to probate. It disposes of \$3,000. The estate is put in trust with his son, Harry, with the net income to go to the widow for life. After her death the estate is given in five parts to his five children. Harry Heinz is also made executor.

The will of the late Mrs. Mary Scharringhausen, who died in Des Plaines Aug. 5, has been admitted to probate by Mitchell C. Robinson, probate clerk. It disposes of a \$5,000 estate which is all left to her daughter, Mathilda Peters, of Caladonia, Ill., son, Edwin Scharringhausen and grandson, Raymond Davidson, both of 1468 Jefferson street, Des Plaines. Leonard Manuel of Elgin, was named executor.

The will of the late Nelson Marklund, who died Aug. 13, in Mount Prospect, has been admitted to probate. An estate of \$7,500 is left to his widow, Mrs. Babette Marklund, 505 S. Wille street, Mount Prospect. She was also appointed executrix of the estate.

The will of the late Mrs. Elizabeth Earl, who died in Palatine Aug. 7, has been admitted to probate. It disposes of an estate of \$100 in personal property and a 245-acre farm in Indiana, whose value is not estimated. All is given to her two daughters, Edna Doolittle, of Palatine and Ada Frey, of Lafayette, Ind.

The will of the late Harry Schlenker, who died in Palatine July 31, disposing of a \$1,000 estate, was admitted to probate Tuesday. It is all left to his widow, Miriam Schlenker, who is also named executrix.

Former Arlington Family Here While Transporting Boat

H. Brix and son, Adrian, of Chicago, stopped in Arlington Heights Tuesday on their way from a Wisconsin lake to the city. Father and son were transporting a 13 hundred dollar speed boat when repairs were necessary for their trailer and the huge "Century Runabout" was bought to rest in front of Charlie Petersen's blacksmith, during the day.

Mr. and Mrs. Brix and family, Adrian and Sylvia, lived in Arlington Heights until the last decade when they resided in Chicago. Their son and daughter, Adrian and Sylvia, attended the schools here, Adrian being a member of the first football team under the coaching of Noble J. Puffer, now county superintendent of schools.

The boat is being quartered for the winter after a season at Lake Koshconong, near Edgerton, Wisconsin. It has 75 horsepower and is capable of a speed of 35 miles an hour.

Evangelical Rally Great Success

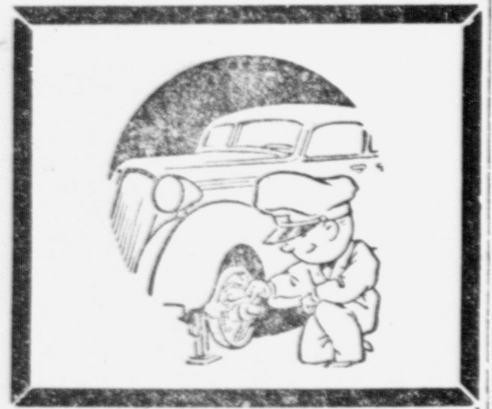

Over 300 Attend At Elmhurst; To Federate Arlington Group

Exceeding all previous expectations, the young people of the Evangelical and Reformed Churches of the Arlington Heights region turned out in large numbers to attend the "Fall Youth Rally" held at the Evangelical Home for Children and Aged in Bensenville last Sunday, September 25. Nearly 300 young people attended the various group sessions.

In his address, "Youth and the Crisis," Dr. Frederick Frankfield of Elmhurst, Ill., stated that "Youth meets a crisis when it loses God," and a loss of faith in God means ultimately a loss of faith in one's fellowmen and finally in one's self. In a tone of admonition he went on to say that when "God goes out of the life of young people, other gods are bound to come in."

"The Way Out" of the crisis was presented by Rev. Glen G. Gumm of Edison Park. He emphasized the necessity that at all times youth must live at its best if it is to avert a continual crisis. Most challengingly the speaker concluded his address with the words, "There is no other way—Christ's Way—is youth's way out of the crisis."

The following young people of the Arlington Heights region had

part in the program: Miss Olive Neitz of Palatine; Mr. Donald Busch of Long Grove; Mr. Harold Block of Highland Park; Miss Sylvia Ost and Mr. Kenneth Grom of Barrington, and Miss Dorothy Kruse of Des Plaines. A mass choir of 70 voices sang two soul-thrilling hymns, "Speed Away" and "Dare To Be Brave," under the direction of Rev. Armin Bizer of Northbrook.

A business meeting was called to order by the temporary chairman, Rev. E. J. Kalwitz of Arlington Heights. According to the registrar's report, attendance honors went to Elgin, Arlington Heights, and Des Plaines. By a unanimous vote it was decided to federate the young people of the Arlington Heights region.

A "Skeleton Constitution" presented by Rev. Verne Warner of Hampshire was adopted in toto. An election of officers was held with Rev. Elmer Ruge of Bensenville presenting the nominations in ballot form. The results of the election were: President, Mr. Raymond Ruge of Glenview; vice president, Miss Virginia Deering of Mt. Prospect; secretary, Miss Ruth Harbeck of Bensenville; treasurer, Mr. Harry Wiedenbeck of Barrington. Rev. R. J. Kalwitz and Rev. Verne Warner were elected pastoral advisers.

Immediately after the business meeting, several of the young people took part in a program of supervised recreation under the able direction of Miss Agnes Harte of Niles Center.

Since only 150 reservations for the rally banquet were made and Rev. 200 sought entrance, two shifts were necessary. Whatever inconvenience there might have been because of this, it was soon forgotten by the jovial efforts of the genial toastmaster, Rev. Wm. Rest of Elgin.

At 6:45 p. m., some members of the Thornton Township Ministerial association presided over Fred Eastman's play, "The Tinker," under the direction of Mrs. Guy Chester Jones of Harvey, Illinois. The cast included both the Rev. and Mrs. George P. Ellerbrake of Barrington, and formerly of Harvey. Rev. Ellerbrake played superbly the part of "The Tinker." Special music was furnished in between the acts by the Misses Phyllis and Florence Bernhardt of Immanuel Evangelical church of Hanover township.

Rev. Paul E. Winger of Niles Center led the closing devotions, emphasizing the need of youth to live lives of honesty, purity, and personal sacrifice.

The newly elected Youth Federation officers will have their first meeting in Arlington Heights on Thursday, October 27, at 8:00 p. m.

It Happened Here

The garden is taking its siesta—it lies around, unkempt and blissfully content—grasses go to seed in the rows and sprawl across the paths in a tough network—white moths flutter from row to row with the soporific effect of nurses putting the wards to sleep—asters appear in the borders and a neighborly tattered cornstalk, at ease, nod over a good job done—they slouch, reach for the tobacco pouch, would smoke a pipe—the staked tomato vines are woefully like John Huss. No longer on dress parade, and with plenty of elbow room, all vines wander about sociably, cucumbers in the corn, squash and tomatoes gossiping together—"The King," they murmur—only the largest of table squashes, but entirely and obsequiously kinglike on his palanquin of latticed vines and stakes—the sprawling grape arbor is full of bees and white moths and the smell of the ripening clusters—under the tangle of lower leaves, bright orange berries of the valley lilies gleam like fruit—in the corn rows, several cardinals linger, feeding happily—no one hurries and no busybody disturbs the peace. . . . If you enjoy a circus, go in for raising gourd; gourds are the crowns of the vegetable kingdom; they sprawl and play leap frog over logs and brush piles, hang on the flying trapeze from tree tops and do all manner of acrobatic stunts dressed in their funny clown suits; shaped like an egg, they swing by their toes or are rowdy in balloon suits or striped pajamas; they play at bell ringing, snappily dressed in yellow and green—topside yellow, below the equator, green; they bulge in the wrong places and peer at you through thick leaves like grinning, warty goblins; harvested, they make cheerful table decorations for the Thanksgiving and Christmas feasts. Bad Breath Is Health Warning

By C. W. Lussman of Sieburg Pharmacy

An attractive man, a fastidious woman, immaculate in every respect but one, can give of fense without realizing it. A foul smelling breath is one of the most serious offenses, and yet one that can be corrected. Foul breath of course is a sign of something—usually of a health condition that can be corrected.

Sometimes it is the condition of one's teeth and this means dental attention. Often it is a sign of something else, perhaps bad tonsils, nasal catarrh, a stomach ailment, sinusitis. These conditions call for a physician's examination and scrupulous obedience to his orders. In no instance is it more important to have the doctor's orders filled by a skilled pharmacist.

'Write A Letter' Is Postal Plea During National Letter Week

National Letter Writing Week, October 2-8, is being pushed by the post office department to stimulate a friendly feeling throughout the country. "Write a Letter" is its admonition in part as follows:

"WRITE A LETTER"
"It's only a few steps to the nearest mail box—write a letter! Take a little chunk of your heart and spread it over some paper; it goes, oh, such a long way!"

"Write a letter to your mother or father, to your sister, brother, sweetheart, loved ones. Are they dear to you? Prove it with a letter! Write a letter and give them the same thrill you had when you last received that same kind of a letter. Think of the joy of opening the mail box and drawing out a warm envelope enriched with old familiar handwriting! A personal letter—it's good to get one. So send one—write a letter!"

"Write a letter to the aged relative who hasn't many days to live, the friend of your father, the friend of your family, the one surviving link between your own present and past. Don't wait for that dear soul to die till you act. Act now with a message of love to cheer those last few days on earth. Sit down and start writing!"

"Write a letter to the author whose story gave you that delightful half hour last night. Write a

letter to the cartoonist whose serial strip you avidly devoured this morning; to the teacher who inspired you twenty years ago; to the doctor who saved your baby's life; to your old employer to show him there was something more between you than a pay check. Be a human being—write a letter.

"Try it, you'll like it. Great joy and many surprises are in store for you. You'll get letters back. You'll get help from unexpected sources. All that you gave in your letters will be returned to you a thousandfold. For a letter is a 3-cent investment in bountiful good fortune.

"Write a letter! Whether you say: 'Attaboy!', 'Thanks!', or 'I Love You,' always remember: A LETTER NEEDS NO EXCUSE!"
—James Mangan.

Trousers Long Unpopular
Prejudices against trousers (for men) in the ancient world are ascribed by the Brooklyn Eagle to the fact that Persians and other Asiatics of the days were warm; and these Asiatics were considered effete by the Greeks of old. In fact, trousers as known today had no social standing until about 1790, when fashionable men first began to give up knee breeches.

MAC SAYS

—By—

Gerald A.

McElroy

by GERALD A. McELROY

Other teams may have heavier lines, faster backs, better blockers, and more colorful individual performers, but for all round strength we nominate Arlington Heights. Grose, in our opinion, has the best balanced squad in the conference and by far the strongest from the standpoint of reserves. In fact we believe that Arlington's second eleven would be a first division club if it were playing a schedule on its own. Saturday Grose used three teams against Grant. The regulars softened up the visitors and then the second and third teams ran up a very one sided total of points. We think this extra power will tell heavily in favor of the Cardinals. We pick them as the team to beat.

BACKFIELD OF SPRINTERS

Libertyville's main hope against the Cardinals Saturday will be to out-run them and Bergstrom has some real speedsters in his backfield this year with Enevold, Wilson, Bell, Brown, and August all leading trackmen. It was the speed of this group of backs averaging but 140 pounds that helped the Wildcats trim Woodstock by the decisive score of 29-0 last Saturday.

THOMPSON A STAND OUT

Rex Thompson of Warren, appeared to us Saturday, as the fullback of the year in the Northwest Conference. He never failed to gain against Barrington and demonstrated lots of drive and ability to twist away from tacklers. Warren's big hard blocking line helped Thompson's job. The Kelton team lacks a fast, open field runner and men fast enough to get down the field and block out the secondary.

Lack of a varied attack kept the score down to 7-0 for a vastly superior Warren team. Coach Kelton of Warren usually starts his teams out slowly using a limited number of plays in the opener. It is our guess that Warren will show a lot more stuff October 7, when they take on Leyden. This week's game with Grant appears to be the number two victory for Warren.

OUR PICKS THIS WEEK

In the conference this week, we pick Warren over Grant 12-0, Arlington to down Libertyville 21-7, Lake Forest to beat Niles 26-6, and Crystal Lake to take Barrington 20-0.

NEW HIGH SCHOOL POSSIBLE

Saturday the people of the Grays Lake community will go to the polls to register their opinion on the proposition of creating a high school district and constructing a new building. If Grays Lake decides to build a high school, the enrollments at Antioch, Grant, Warren and Libertyville will suffer. At present, it is estimated that between 150 and 175 students attend these four schools from Grays Lake. The new district proposed would include the north part of Fremont and the south part of Lake Villa townships.

WOULD CUT ENROLLMENT

Should this plan go through, it would retard the growth of the schools of the northwest part of the conference who, as it is, are gradually falling farther and farther behind such fast growing schools as Arlington, Leyden, and Niles Center. A school at Grays Lake would logically be a member of the conference, yet such action would just bring that much closer the inevitable day when a new alignment of schools will be necessary. The conference now has a membership

Arlington Finishes Third In Softball Tournament

Win 9-2 After Trailing 2-1 In Seventh Inning

All Stars Muff Chance For Title After 2 Out In Ninth

The All Stars finished the suburban softball tournament in third place as they polished off the Fells team of Winnetka, 9-2, Tuesday night.

Trailing 2-1 going into the seventh inning and held without a hit, they suddenly crashed through to win the game. Three hits, an error, and a walk were good for four runs. "Red" Weisgerber's blast over the left fielder's head was good for three runs and the game. It broke the hearts of the Fells players. Four more runs in the eighth on four hits and a walk were superfluous.

Laerssen struck out 15 men in nine innings and allowed three hits. Huber and Weisgerber hit twice each, Car getting a single and a triple, "Red" a triple and a home run. Huebner of Fells struck out eleven in eight innings.

The All-Stars were selected from the players of the Arlington league by vote of the managers. Their entry into the tournament was more in the nature of a reward in honor of their season's play than anything else.

Few expected them to win more than one game. They took the strong Erickson's team 3-2 in the opener. Then they beat the favorites, Johnson Motors, 5-2. Their last minute loss to Niles Center's Nor-Enacs plainly deprived them of the championship, as Schaefer of Winnetka, the other finalists, were not a strong team.

The pitching of Laerssen was the backbone of the All-Stars, around which a fine team was put together. He struck out 29 men in 30 innings pitched. He won three and lost one game. He allowed 9 runs and 14 hits, with 3 of those runs being unearned. While at bat Laerssen collected three hits in ten.

Undoubtedly Carl Huber was the number one man in the supporting cast. He hit six times in fourteen trips against the best pitching in these suburbs. One hit was a triple. All were made in spots where they did the most good. His base-running was hard and his fielding was superb.

Close to Carl would rank the fielding of Alten and Laseke, the all-around work of Weisgerber and the timely hitting of Brodman and Lauterburg. The people of Arlington Heights can feel that softball as played here, is on a par with the best in the suburban area.

of 14 institutions.

NEW MEN MAKE GOOD

Coach John Grose has three or four new boys on his football team who have moved to Arlington since last season. One of these lads named Beckman, played on a state championship eleven in Nebraska, last year and is fitting into Grose's scheme of things very nicely as a guard.

DOWNERS GROVE BOY MAKES GOOD

Jim Reninger, hurler of the Baltimore Orioles, purchased recently for \$200,000 by Connie Mack, was one of the best athletes in the history of the Downers Grove high school. Reninger was leading scorer on the 1933 cage team which won the Stagg tournament and played on the American Legion junior baseball team which won the Chicago area title.

STATE CHAMP AT WISCONSIN

Paskavan of LaGrange who set a state record in the shot put two years ago, is a leading sophomore candidate for the fullback job on the 1938 University of Wisconsin football team. Paskavan was picked on the all state high school team in his senior year at LaGrange.

LOCAL BOYS AT MICHIGAN STATE

Up at Michigan State Steve Szasz is mentioned as the leading candidate for the right half position on Charley Backman's grid team. Lyle Rockenbach of Crystal Lake, a junior, is considered the outstanding guard on Bachman's squad.

Arlington All-Stars lost to the Niles Center Nor-Enacs in the semi-final of the Northwest Suburban Softball Tournament Sunday night.

The All-Stars had a 2-1 lead in the last inning, two men out, and two strikes on the weakest Nor-Enacs hitter in the line-up, but lost the ball game 3-2.

In that spot Turksi poked feebly at the ball, it sailed over the second baseman's head into right field and the tying run scored.

Turksi went all the way to third when the ball skidded on the wet grass and L. Brodman couldn't get it picked up. He scored as Lauterburg hit a slow hopper to Laseke, who threw hurriedly and low to first.

The All-Stars, who had a clear path to an easy final victory, were left to play for third place and a consolation prize on Tuesday night.

The game was a pitchers' battle. Arlington, as usual, scored first, getting a run in the fourth. Carl Huber drove out a single and Laseke sacrificed perfectly. Brodman flied to center, but "Red" Weisgerber bounced a double over third and Huber raced home. Lauterburg flied to short.

Nor-Enacs tied it up on four walks in the fourth as Laerssen couldn't get a close one called for him. In the seventh Laseke hunted perfectly down the first base line. Brodman tried to sacrifice, but had to swing and forced Laseke. Time Mel and the Niles Center second baseman recovered from a crash. Weisgerber tapped to the pitcher and Brodman moved to second. Lauterburg drove a triple to right center and Brodman rode home with what should have been the winning run. Lenke struck out.

Laerssen struck out ten men, walked six, and gave four hits. Kalmes struck out seven, walked two, and gave four safe blows. The game was decided by the final break in the seventh. Both teams looked like champions, and the Nor-Enacs entered the final overwhelming favorites to win the big trophy.

ALL-STARS 5, JOHNSONS 2

The Arlington All-Stars won their way into the semi-finals of the Northwest Suburban Tournament Friday night by defeating the favorites, Johnson Motors of Park Ridge. The final score was 5 to 2 and the edge was definitely the victors'. They got the jump on Johnsons in the first inning with a three run blast and stayed well in front.

The game was held up thirty minutes while waiting for the arrival of M. Struck, star pitcher of Johnsons, but he did not get there until the beginning of the fourth. He gave up six of Arlington's ten hits, and one of their runs, while weakening badly near the close.

Lenke opened the second inning with a pass. Alten flied to left, Lauterburg banged a triple down the right field line, scoring Lenke. Laseke popped up to short, and Koelling lined the ball to left for a home run. It was a terrific smash about twenty-five feet up, which landed well beyond the lights and kept rolling. Dobbins flied out. Laerssen opened the third with a single and soon scored on Hemenmann's single.

The final Arlington run was pushed over in the seventh on a walk, a fielder's choice and two singles. Lauterburg and Laerssen led the hitting with two each, but six other players got one apiece.

For Johnsons, the two runs were scored in the sixth with two out. Schunaman drove a ball past centerfield. Alten raced after it, threw it clear to the plate, where Weisgerber was so surprised that he dropped it and the run scored.

Christensen then hit a home run, but Steiner lined out to left. Alten's throw to the plate was the greatest play of the tournament.

Meet The Coaches...

This is the second of a series of short articles in which G. A. McElroy introduces the coaches of the Northwest Conference.

SAM ENGLAND

Leyden Com. H. S.

Sam England is starting his first year as a head coach in the Northwest Conference. He will handle football, basketball, and baseball at Leyden Community high school, the largest institution in the league with an enrollment of about 650 students.

England is an experienced coach and comes to Leyden from Virden, Illinois, where he spent six highly successful years as head coach. Prior to his work at Virden, England coached in the high schools at Savanah and Jackson, Missouri. England is a graduate of the Northwest Missouri State Teachers College where he was an all round athlete. He has had considerable experience both as player and coach in football, basketball, and track.

As athletic director, Mr. England will have the assistance of Moser, Krueger, and Renzsch in football; Steele in basketball, and in track, England replaces Lynn Watson who was head coach at Leyden for the past 10 years.

Plan Suburban 16 Team Softball League In 1939

It is planned next year to form a sixteen team Softball League of the various N. W. Suburban towns, playing 12 inch ball fast pitching, under lights.

Any fast pitching suburban softball team interested and wishing to be informed of the first meeting next February, are asked to drop a postcard with your team name and address listed, to Ed Krejcek, 6646 Octavia avenue, Edison Park.

Arlington Reserves Down Northbrook, 12-0

Monday night, Arlington's reserves down Northbrook's first team 12-0. This is the first year Northbrook has had football. In spite of the fact that only three or four boys had previously played football they put up a well played game. During the first half, they pushed the Arlington boys all over the field, yet failed to score. The second half was almost as much all-Arlington.

Fifteen first team boys were held out of the Arlington lineup, yet the remainder had plenty of trouble winning. Koelling finally pushed over one touchdown and Bublit registered another. "Sleepy" Mueller woke up and did some nice running and punting.

Some new boys who broke into lightweight football and did some fine playing for their first out were: Goedke, Samulovitch, Mayer, Rodgers and Bolte. A pair of little guards did some very fine work—Dolmaje and Remus.

Next week they play the lightweight from Warren on Monday on the local field.

Warren Uses Power Plays To Beat Barrington, 7-0

Depending largely upon straight power plays, the veteran Warren eleven opened the conference season with a 7-0 victory at Barrington, Saturday. The Blue Devils eleven had it all over the Bronchos in general all round play, making 15 first downs to their opponents' five. It was the spirited defensive work of the light Barrington team that kept down the scoring.

The winning touchdown was scored in the second period on a short drive of about 45 yards which started when Thompson passed to Zimmerman for a 13 yard gain. Thompson, 185 pound fullback, smashed over from the two yard line following two penalties on the Bronchos and a number of short gains through the line. Thompson also plunged over for the extra point. On two other occasions the Kelton coached team appeared headed for scores but intercepted forward passes stopped them within the 20 yard line. It was Barrington's alert pass defense which almost brought the Bronchos a touchdown. Jack Shepard intercepted one out in the flat at mid-field and had seven blockers and

Niles Center Has Tough Schedule; Faces '37 Champs Friday

Coach Isaacson will send a veteran team on the field Friday against Lake Forest when the Niles eleven is host to last year's league winners. From his squad of 45 nine lettermen are available and Niles is expected to give her opponents a tough time this season. Niles is one of the few teams which has scheduled every school in the conference.

Heading the list of veterans is Eby, a three year veteran fullback. Others with one year of varsity experience are Faust, Permer, and Field, 180 pound tackles; Kellen, 150 pound end; Kennedy, 165 pound guard; Carroll, 150 pound center; Van Cleve, 135 pound halfback; and Baumgardt, 165 pound fullback. New men who are looking good and appear ready for varsity competition are Strang, Becker, O'Connell, and Sullivan in the line and Harkins and Ford at the quarterback position.

Lake Forest's speedy hard blocking team of veterans will be a severe test for Niles Center and the visitors are likely to win. However, Niles, under the capable direction of coaches Isaacson and Galitz, appears strong enough to annex a fair share of victories this year in spite of a very tough schedule.

only one blue shirted Warren tackler in the way of a score, but hesitated and was pulled down from behind after a 15 yard gain.

Warren had a total net gain of 215 yards by rushing while Barrington had 57. Barrington gained 23 yards on passes, completing two out of eight attempts. Warren completed one out of five for 13 yards and had three intercepted. Warren suffered loss of 35 yards in penalties and Barrington 20 yards.

Rex Thompson, Warren fullback, was the outstanding player on the field carrying the ball about three out of every four times for his team. Warren averaged 4 1/2 yards for each ball carrying attempt, mainly through the line where the Blue Devils outweighed the Bronchos between 10 and 15 pounds to the man.

DES PLAINES PTA RUMMAGE SALE

Barrington Holds Lead Of Lion Bowlers By Slim Margin

Barrington Lions club continues its lead of the Northwest Lions club bowling league. However, they are hard pressed by the Des Plaines, Arlington Heights and Mt. Prospect clubs.

Dundee and Palatine clubs didn't bowl last week, but are to make up these three games at the convenience of the two clubs sometime during the season.

Dr. Ray Schulze captured high series with 559 pins. The following Lions bowled 200 games or more: H. Kehe 200, Hammerl 201, Cadwallader 208 and Dr. Schulze 215.

Arlington Overpowers Grant, 39-0

Total Net Gain Is 15 Yards For Grant Eleven

It took only a few minutes last Saturday for Arlington high's football team to demonstrate its superiority over Grant. While the first touchdown was delayed until near the end of the first quarter, it was due more to the Cardinal's own mistakes rather than Grant's effectiveness.

Once they got going, Arlington rolled up a lopsided score of 39-0 over the hapless Grant contingent, turning the game into a veritable rout in the fourth quarter, when three touchdowns were chalked up. In all thirty-two Cardinals saw action during the game with about twenty-four boys splitting most of the time fifty-fifty. It seemed to make little difference which group of Cardinals went in. Early season predictions that Arlington would have two full eleven of about equal strength, seem to be coming true. The so-called "first team" played the first quarter. Then the "reserves" went in and completely showed up the first stringers. This blocking was far superior to that of the first group.

During the game Arlington rolled up a net gain of 470 yards against Grant. This included 21 first downs and was piled up both by the air and ground routes. The upstate boys laid themselves wide open to passes in an attempt to stop the Cardinals' running game and Arlington took full advantage of their opportunities.

The ground gaining was divided up pretty evenly between Mayerck, Hull, Koenig, O'Hagan and Koelling. Each of these negotiated sizeable chunks of yard lines. However, Langhorst's grabbing of passes probably eclipsed either of these for yardage gained. Both O'Hagan and Hull completed some pretty passes to him. Arlington's big left end came near to being the star of the game. He is developing into one of the best wingmen in the league. A bit of polishing up of his blocking, will clearly establish him as a number one man at his position.

While Hull and Koelling were getting most of their yardage in spectacular dashes around end and by returning punts, O'Hagan, Mayerck and Koenig were registering by as effective yet less brilliant drives through the line. Mayerck particularly looked more like his sophomore days. It took gang action to pull him down once he got

into the secondary. Arlington's forwards had little opportunity to demonstrate their ability. They completely bottled up Grant's offense as Grant succeeded in netting only 15 yards total ground gained. Their only first down was on a pass ruled complete by interference. Both sets of linemen opened up big holes in the visitors line making it necessary for the secondary to do all the tackling. Yet in two phases of the game the Arlington line looked bad. They failed to give ample protection to Arlington's passers and punters. Several Arlington punts were either blocked or hurried to the extent that they were sadly off in this department.

Captain Velisek of Grant, was a continual menace to Arlington's offense. He seemed to roam at will through the Arlington line, smeared plays and blocked kicks galore. He with Jorgensen at center, McNally at full and Neilson at right half made practically all the Grant tackles.

In the first quarter after balling things up in fine style for six or eight minutes, Arlington started a drive from their own thirty yard line which netted the first score of the game. O'Hagan, Mayerck and Hull alternated down to the 35 yard line. Here O'Hagan chucked his first pass to Langhorst on the fifteen. Hull shook off a pair of tacklers and ran the remaining 15 yards to score.

In the second quarter the "Reserves" who may develop into the first team went in. Mainly with Hull carrying the ball they drove down to the eight yard line where a holding penalty set them back. Grant took the ball and punted out to Koelling on the Arlington 35. Koenig returned it 20 yards. Again the Cardinals began, again to be set back by another holding penalty. This was shortly made up, Koenig, a pass, Koelling to Henken, and Koenig again, tallied touchdown number two and ended the scoring for the half.

The reserves started the second half and proceeded to gum things up principally by handled punts when they should have been let alone. Eventually the first team went back in and settled down to work in earnest. The most consistent drive of the game began on their own 20 yard stripe and ended by straight running on the 2 yard line from which O'Hagan crashed over for the touchdown.

This running game was kept up in the fourth quarter. With an occasional pass tossed in three drives of about 50 yards each netted three more touchdowns. The first of these Hull got on a short three yard dash. The second Harth negotiated from the eight yard line and the last was the result of a pass Bublitiz to Henken on the last play of the game.

Undoubtedly Grant is weaker than the previous year or so. The man power they have previously had, is simply not present. While occasionally Arlington looked bad, yet they demonstrated that they have plenty of power and on several plays furnished some spectacular football for so early in the season.

Red Wings Win Final Game of Year 5-3

The Red Wings behind the six hit pitching of Geo. Schaefer trounced the Zulu Clowns to the tune of 5-3. Schaefer issued but three bases on balls and struck out twelve men. He also got two hits and a walk in four appearances at the plate. Taking everything into consideration, George had himself quite a day. A good deal of credit goes to Schaefer's battery mate, Rox Bolte. Rox caught a good steady game every Sunday and he got his share of hits, too, a lot of them were timely. What more can you expect from two old timers?

Schaefer started out by striking out three men in the first inning, with a walk and a single sandwiched in. The Red Wings did a little better in their half picking up a pair of runs on an error, a hit batsman and a single by Ray Willert. Al Pederson and Rox Bolte each got a single in the second inning, but failed to score. A single by Ed Wahl and a single by Schaefer appeared in the third inning, but no further scoring.

Harold Firnbach singled to open the fourth, and then the opposing pitcher promptly uncorked two wild pitches and Firnbach scored. Score now 3-0.

In the fifth inning the clowns tied the score at 3 all.

Kalomo singled to center and remained at first while the pitcher fouled out to Bolte. Fuba was safe on an error by Wahl, and Gula struck out. Lana walked, filling the bases. Buto doubled to left field all three runs scoring. Buto was thrown out at third when he tried to steal, Bolte to F. Brodman.

The Red Wings went ahead again in their half of the fifth, scoring two runs. Wahl walked, F. Brodman sacrificed Wahl to second. Schaefer singled scoring Brodman, and Schaefer tried to go as far as third on the throw in, but was nailed on a throw from the first baseman to the third baseman. Willert then followed with his second single of the day, and scored all the way from first on a long triple to center field by Harold Firnbach. Firnbach tried to stretch the hit and was run down on the third base line. That was all the scoring on both sides.

Rog Hertel replaced Reuse at first base in the sixth inning and got two singles in two tries. Joe Firnbach went into the game in the seventh and also picked up a single. Ray Willert made a grand stand catch in the eighth inning for the best play of the day. After the fifth inning the clowns' bats were very quiet and only collected two singles. The Red Wings got a total of 12 hits off of the clown's pitcher, while the opponents had to be satisfied with 6.

Well, fans, I guess that's all for this season. The Red Wing ball club wishes to thank all you dyed in the wool Red Wing boosters for your loyal support throughout the season. The boys all did their best and they hope that you fans enjoyed the games.

The Ball Club also wishes to thank the local Park Board for the privilege of using the ball field, and for the use of the shower. They also want to thank the different organizations in town, namely the Firemen, Legion, Junior Drum and Bugle Corps for their wonderful cooperation. The boys want to thank Bud Peter, our genial manager for a swell job. We hope Bud will be back next year. Well fans we will be looking for you at the opening game next spring.

Bowling

by HERB HAMMERL

The boys of the Monday night League are sure starting to hit the pocket. "200" games are hopping up here and there and "400" series are on their way out. There are fewer of them every week. We wish to welcome Fred Kehe and Al Kehe back into the league. Al hasn't bowled for a number of years and we are glad to have him back. Fred Kehe bowled last year, but this year he changed over to the Elevator team. I forgot to mention last week, there is a new face on the Blatz team in the person of Art Culey. Art is taking "Peanuts" Meyer's place, and this change of lineup gives us two left-handers in the league.

On 1 and 2 Blatz took two games from Hartman Shoes after losing the first game by one pin. Geo. Winkelman was high with 587, and Bud Peter won the dollar with 221. Ray Dieball got 586 for Blatz. On 3 and 4, the Elevators won the odd game from Cafe. Al Kehe did himself proud the first night back in the league. Al put together games of 201, 214, 226 for a 641 total and also won the dollar with 226.

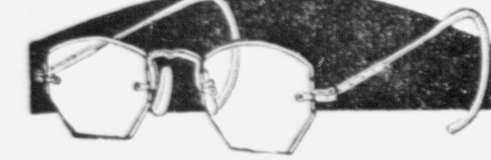

Over on 5 and 6 the Hammes took three games from El Rand and also took the lead away from them. Hammes are now out in front by one game over Blatz, who are in second place. Carl Huber got 595 for the Hammes and his 221 game won the dollar. Joe Brodman was right on his heels with 586.

SO THE LIGHT WILL NOT FAIL

Sometimes eyesight dims so gradually that only a competent eye authority can tell what is happening. Just as you recognize the necessity for visiting your dentist at regular periods, so it is wise to have eyes examined regularly. Here you can be sure of a conscientious examination, and an honest opinion as to whether or not you should wear glasses or have your lenses changed.
